

AutoService Pak

Tailored specifically for your automotive service business

► The Reality

People love their cars. They take them where they're going, whether it's to work, school or play – they can even take'em down Memory Lane. They can be a status symbol or just a functional set of wheels.

But no matter what their car means to them, they'll inevitably need your services. Whether it's for a wash, a muffler, a stereo or something in between, you're there to fill'er up, fix'em up and get them on their way.

But what if you can't get them on their way? Fast, quality customer service is what keeps you profitable. You can't afford to jeopardize that commitment.

Protect your successful business from unexpected speed bumps with SGI CANADA's AutoService Pak.

► The Coverage

Whether you're there to fill their tanks – with gas or snacks – or make sure their rides run, sound or look good, SGI CANADA's AutoService Pak is for you.

AutoService Pak is comprehensive coverage in one package specifically designed to protect your auto service business from damage to your building and its contents, as well as any resulting loss of income. It covers you for losses caused by equipment failure, crime and injury to someone at your business.

You also get coverage for your gas pumps, canopies and storage tanks, including the fuel in them.

Property: automatic protection for your building and everyday possessions at your business, including merchandise, equipment (like cash registers, tools or photocopiers), signs and tenant improvements.

Loss of income: coverage for actual losses sustained if you're unable to conduct business due to an insured loss.

Liability: coverage starts at \$1 million and protects you if you're found legally responsible for property damage or injury to another person.

Crime: provides coverage for loss of money and securities, as well as employee dishonesty.

Equipment breakdown: automatically covers items like water heaters and boilers, as well as mechanical, air conditioning, electrical and electronic equipment at your place of business.

Eco-friendly replacement cost: at your request an extra 20% may be provided for replacement of damaged property, like equipment, appliances or building materials, with more energy efficient or environmentally friendly items.

Ask your broker about adding additional coverage or increasing limits.

► The Benefit

As part of SGI CANADA's Value Pak family of insurance products tailored for small- to medium-sized businesses, with AutoService Pak you're getting comprehensive coverage at a great price designed specifically for your business and the risks it faces. It covers you for both property and liability losses.

Liability is about taking responsibility for your actions. You can face significant financial hardship if you're at fault for damaging someone's property or if someone gets injured. Insurance ensures you can pay others for their financial loss, due to damaged property or injury, with as little impact on your business as possible.

Insurance is something you hope you never have to use. That's why for every consecutive claims-free year you have with us, your deductible will decrease until it's zero. And if you do end up having a claim that's more than \$25,000 you won't have to pay a deductible. That should keep you on the road.

AutoService Pak lets you focus on providing excellent, fast customer service so you can proudly get them on their way.
